ECHO Rangers is a hands-on educational program featuring Volusia County's many **Ecological, Cultural, Heritage and Outdoor** treasures.

Children in grades 1 - 5 may participate. The program is offered from September through June. Activities are offered on a variety of dates and times throughout Volusia County.

Our 40 designated locations include parks, museums, libraries, historical sites and more! The ECHO Rangers mission is to visit at least eight sites and participate in specially designed ECHO Ranger activities to receive a stamp in their *Passport to Adventure* guidebook. Children with eight or more stamps at the end of the program will be official ECHO Rangers!
